

## Dear Valued Patients,

We're very pleased to inform that we are expanding our services at our JinQiao Clinic! In order to better serve our patients, we are pleased to introduce:

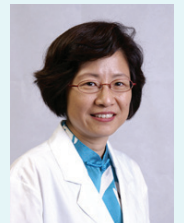

### ***New Physiotherapist.***

Baerbel Funk graduated from the Physiotherapy College in Hamburg, Germany and specializes in manual therapy and lymphatic. Baerbel comes to us with over 8 years of experience practicing in Germany.

### ***Additional OB/GYN Services.***

Dr. Michelle Lu-Ferguson is an American Board certified physician from the US. Dr. Lu-Ferguson specializes in pregnancy care, labor and delivery; infertility; contraception; sexually transmitted diseases; cancer screening, diagnosis, and treatment; abnormal uterine bleeding; minimally invasive procedures (laparoscopy and hysteroscopy); and OB/GYN ultrasound.

Dr. Sylvia Dai has an MD from Nanjing Medical University and over 15 years experience practicing in China at international medical facilities. Dr. Dai is fluent in both English and Mandarin.

*All three doctors are looking forward to welcoming patients at our JinQiao Clinic!*
